1 United States Dollar Was 7 Tooman But Today It is 53.000 Tooman , The Iranians People Believe That The Main Person Who must To Answer for This Situation Is Their Supreme Leader Ali Khamenei Mistakes , And This Is One Of The Main Point As Well Due To Their Request That They Want Regime Change In Iran , Because As I Have Spoken With Many Of Iranians They Are Believe That They Have Give So Many Chances To Islamic Republic Of Iran But All Of Their Democracy Was Not Useful And Mullahs Regime Is Near To Falling Down Completely And This Is Only The Happiness Of The People Of Iran As They Are Clearly Told Me
